

PETER
PACK RAT

ATARI
GAMES

A T A R I S Y S T E M I

Go for the treasure with this all new action-packed maze adventure.

Whimsical non-stop entertainment designed exclusively for Atari

SYSTEM I

- Amazing animation and electrifying color attract players, enhance the fun
- Three full-stereo music scores written especially for the game intensify player involvement
- Easy to learn, hard to master game play keeps players coming back
- Special game continuation feature encourages more coins in the cashbox
- New joystick with button control provides eight directions of movement and a special jump feature

PETER PACK RAT is fun for all ages, males and females alike

The Junkyard

The Sewer

The Tree

Distributed By

The cast of characters includes Peter Pack Rat (our hero) and the Villains (boo, hiss!)—Riff Rat, leader of the Rats of Flatbush, Scrapper the junkyard dog, Sticky the spider, Fite Owl, Sluggo the bat, Big Al the alligator, Diamond Jim the snake, and Clawd the cat.

Player controls Peter Pack Rat on his quest to collect treasures and bring them back to his nest. The bad guys try to stop him.

Peter Pack Rat consists of three different backgrounds, the Junkyard, the Sewer and the Tree. These backgrounds provide the setting for 15 levels of unique game play. If the player is skilled enough to complete level 15, further challenges remain.

Operator Options

Operators can tune game difficulty to suit any location using the Game Options screen to select the number of starting lives (2, 3, 4, or 5), the extra life conditions (none, 20,000, 25,000, 30,000 or 35,000 points) and overall game difficulty (Easy, Medium, Hard or Harder).

System I. The right choice!

Peter Pack Rat is the latest in a continuing series of top-earning conversions on games designed for the revolutionary Atari System I.

The game is available in the dedicated upright System I configuration and as a game kit which includes attraction panel decal, completely assembled control panel with graphics and a pop-in game board.
